Rahu in Capricorn & Ketu in Cancer 2026-2028

From 5 December 2026 to June 2028. What four Vedic astrologers say for every Lagna and Moon sign, with remedies and dates.

Find your sign

Read the section for your **Lagna (ascendant)** and again for your **Moon sign**. The Lagna shows what you will think and do; the Moon sign shows how the world treats you. Don't know them? [Make your free Kundli](#).

Aries Mesh	Taurus Vrishabh	Gemini Mithun	Cancer Kark
Leo Simha	Virgo Kanya	Libra Tula	Scorpio Vrishchik
Sagittarius Dhanu	Capricorn Makar	Aquarius Kumbh	Pisces Meen

The big picture

Rahu moves from one Saturn sign to another. In Aquarius it wanted to disrupt the system; in Capricorn it wants to become the system. Hunger for title, position and authority rises, and so does the risk of reaching the next floor and immediately eyeing the one above. **(Vinita Lenka)**

Capricorn is earthy and practical. Plans made while Rahu was in Aquarius now meet reality: ideas need paperwork, money and proof, and shortcuts tend to fail. How well this goes depends a lot on the strength of Saturn in your own chart. **(Deepanshu Giri)**

Rahu expands the house it enters, and it also expands your hunger for that house. People who worked hard without reward get their opening now. The theme is systemic change: old structures, at home and in the world, give way. **(Hemant)**

Ketu in Cancer is a life reset, not a disaster. It changes your old relationship with whatever it touches and often removes your need for a thing rather than the thing itself. Ketu crosses the Leo-Cancer gandanta (Magha to Ashlesha), so suppressed emotions and family patterns surface first and settle later. **(Hemant)**

Ketu works like completion. It starts with confusion and insecurity in 2026 and the same area becomes stable and resolved by 2027-28. **(Hemant)**

Nakshatra phases

25 Nov 2026 to 21 Apr 2027

Rahu in Dhanishta

Acquire resources: money, land, equipment, infrastructure. Ambition gets loud.

25 Nov 2026 to 16 Sep 2027

Ketu in Ashlesha

Untie emotional knots: family manipulation, inherited fears, toxic habits.

21 Apr to 26 Nov 2027

Rahu in Shravana

Control of information: media, AI, algorithms, education. More information is not more truth.

16 Sep 2027 to 21 Apr 2028

Ketu in Pushya

Decide what still deserves your care and what you carry only out of habit.

26 Nov 2027 to 24 May 2028

Rahu in Uttarashadha

Legitimacy and authority: promotions, mergers, titles, and the risk of manufactured authority.

21 Apr to 24 May 2028

Ketu in Punarvasu

Restore what is worth keeping: reconciliations, a return home.

Phases from Vinita Lenka.

Dates to mark

6 Feb 2027

Solar eclipse in Dhanishta, a reset point for the house Rahu occupies

21 Feb 2027	Lunar eclipse in Magha
25 Jan to 26 Jun 2027	Jupiter returns to Cancer and travels with Ketu
10 Mar to 21 Apr 2027	The window most astrologers ask you to handle carefully
18 Jul, 2 Aug, 17 Aug 2027	Eclipse season on the Cancer-Capricorn axis
27 Dec 2027 to early Feb 2028	Mars joins Rahu in Capricorn: huge drive, easy to overdo

Last time on this axis

- 2008-09: housing and mortgage stress turned into the global financial crisis, food and fuel prices soared, governments intervened on a huge scale, and WHO declared the H1N1 pandemic in June 2009. **(Vinita Lenka)**
- 1989-91: the Berlin Wall fell, the Soviet Union collapsed and India liberalised its economy. 2008 also brought Chandrayaan-1 and the Mumbai attacks. **(Hemant)**
- Expect themes that rhyme with 2008, not a replay. Saturn and Jupiter are in different places this time. **(Vinita Lenka)**

For the world

- Bigger companies, more government regulation, infrastructure and industrial policy. In AI the question shifts from who invented it to who owns the data centre, the power and the contracts. **(Vinita Lenka)**
- Scams inside companies and government come out. Pressure on the central government, and in the first three or four months diplomatic relations with western countries can cool. Technology such as AI and even flying cars moves into the mainstream of work. **(Aastroind)**
- Housing affordability, food, water, pensions, insurance, migration and care for elders and children are the areas to watch. **(Vinita Lenka)**

Aries (Mesh) Lagna or Moon sign

Rahu in your 10th house, Ketu in your 4th house

Career asks for more of you while home life asks you to simplify. A bigger role is likely, and the way you live at home may change to make room for it.

Where the astrologers agree

- A push in career: promotion, a larger role, a change of company, more public visibility.
(Hemant, Deepanshu Giri, Vinita Lenka)
- What home means to you changes. A move of house or city, a child leaving for college or work, or parents needing a new arrangement are all possible. **(Hemant, Vinita Lenka)**
- Openings tend to come through technology, digital work, multinational firms or overseas projects.
(Hemant, Vinita Lenka)

What each one adds

If you have been out of work, a job can arrive suddenly through AI, digital or foreign companies. Many will feel the urge to start a business in 2027.

Astrologer Hemant [Watch the full video](#)

Ketu in the 4th quietly ends friendships that feel fake. Long property disputes at home move towards settlement, and a mother's long-pending wish can finally be met.

Astrologer Hemant [Watch the full video](#)

Expect project or contract based work and being thrown into areas outside your expertise. You may feel like an impostor. Take the risk and learn on the job.

Deepanshu Giri (Lunar Astro) [Watch the full video](#)

Many will ask why a role they wanted for years does not feel satisfying. Between 26 Nov and 19 Dec 2026, study the organisation instead of resigning in a hurry. The 6 Feb 2027 eclipse can reset your department or boss.

- Old beliefs get questioned and a new teacher, faith practice or way of thinking enters. **(Hemant, Deepanshu Giri, Vinita Lenka)**
- Ketu in the 3rd gives courage to take a stand and brings sibling matters to a close. **(Hemant, Vinita Lenka)**

What each one adds

People close to you may not agree with your new ideas. Share them online and with people far away, where they are better received.

Astrologer Hemant [Watch the full video](#)

Ketu ends long sibling disputes, property quarrels and dependencies. A sibling may marry, settle abroad or become independent.

- Worship Hanuman (Bajrang Bali) and show gratitude to teachers, elders and father figures. **(Vinita Lenka)**

Gemini (Mithun) Lagna or Moon sign

Rahu in your 8th house, Ketu in your 2nd house

A deep, behind-the-scenes cycle around joint money, secrets and research. Income can grow, but you will care less about showing it.

Where the astrologers agree

- Joint finances, inheritance, insurance, tax and loans need restructuring. **(Hemant, Deepanshu Giri, Vinita Lenka)**
- Avoid quick money and speculation you do not fully understand. **(Hemant, Vinita Lenka)**
- Research, occult subjects and astrology become absorbing. **(Hemant, Vinita Lenka)**
- Ketu in the 2nd changes your relationship with family and money: less display, more distance from family pressure. **(Hemant, Vinita Lenka)**

What each one adds

You may suspect your partner is hiding something. If you are single, a relationship tends to arrive. Keep an eye on the health of elders around you.

eclipses

Dates from Vinita Lenka's Gemini reading.

Remedies

- Keep donating long-lasting food such as pickles or murabba to sweepers and house help. **(Deepanshu Giri)**
- Update nominations, insurance and taxes. Food donation and a Ganapati practice help, but do not do a remedy instead of reading the document. **(Vinita Lenka)**
- Journal, and keep legal and financial papers in order. **(Vinita Lenka)**

Cancer (Kark) Lagna or Moon sign

Rahu in your 7th house, Ketu in your 1st house

Partnerships take centre stage while Ketu on your Lagna asks who you are on your own. One of the biggest relationship cycles for Cancer in 18 years.

Where the astrologers agree

- Marriage, business partners and clients become the main story. Unusual or foreign people are attracted to you. **(Hemant, Deepanshu Giri, Vinita Lenka)**
- Choose partners carefully. Attraction is strong but trust and clarity can be weak. **(Hemant, Deepanshu Giri, Vinita Lenka)**
- Ketu on the Lagna resets identity: you shed an old version of yourself. **(Hemant, Vinita Lenka)**

What each one adds

A beneficial transit. Match charts before any business partnership. A soft, sweet way of speaking will decide your success.

Astrologer Hemant [Watch the full video](#)

Ketu on the Lagna removes old weaknesses in health, confidence and personality. It is one of the best transits even though it feels uneasy at first.

Astrologer Hemant [Watch the full video](#)

Deepanshu Giri (Lunar Astro) [Watch the full video](#)

If Rahu or Ketu touches a planet in your chart

Sign-wise readings are general. The transit hits hardest when Rahu passes over a planet in your birth chart in Capricorn, or Ketu over one in Cancer.

- A planet in Capricorn in your birth chart: a major change in career, either away from home or through the internet and AI. **(Aastroind)**
- Over your natal Venus: relationships begin and break; if Venus is a yogakaraka, money and a career opening follow. **(Aastroind)**

- Over your natal Jupiter: watch health closely. **(Aastroind)**
- Over your natal Moon: fame, travel and new connections, with emotional ups and downs. **(Aastroind)**
- Ketu over your natal Rahu brings maturity and closes a chapter; over your Atmakaraka it can bring spiritual awakening and sudden recognition. **(Hemant)**

Remedies for everyone

- Worship Lord Ganesha and chant “Om Gan Ganapataye Namah”. **(Hemant)**
- Reduce unnecessary attachments, share what you have in excess, and stop needing to win every argument. **(Hemant)**
- Pitru Tarpan or Shraddha if ancestral issues have been pointed out in your chart. **(Hemant)**
- If you feel emotionally shaken, wear a pearl only after consulting an astrologer. Grey clothes or donating grey items calm Ketu. **(Hemant)**
- Practical changes in behaviour work better than gemstones or costly rituals: keep your papers in order and keep a steady routine. **(Vinita Lenka)**

Common questions

When does Rahu enter Capricorn in 2026?

Rahu enters Capricorn and Ketu enters Cancer on 5 December 2026 and both stay there until June 2028, about 18 months. Vinita Lenka counts the transit from 25 November 2026.

Should I read this for my Lagna or my Moon sign?

Read both. Hemant uses the Lagna for what you will think and do, and the Moon sign for how the world treats you. Deepanshu Giri reads mainly from the Moon sign, and Vinita Lenka says the readings work for the Lagna, the Moon sign or the sign of your running dasha.

Is Ketu in Cancer bad for home and mother?

None of the astrologers read it that way. Vinita Lenka calls that reading too basic: Ketu changes what home means to you. Hemant says Ketu removes your need for a thing, not the thing itself.

Which signs benefit most from Rahu in Capricorn?

Rahu does well in the 3rd, 6th, 10th and 11th houses, which makes this transit strongest for Scorpio, Leo, Aries and Pisces. Hemant calls the 3rd and 11th the best of all. Results still depend on your own chart and dasha.
